

Kids In The Middle Clinical Internship

Kids In The Middle is pleased to offer internships for graduate students in licensed, accredited Masters programs in either Social Work or Counseling. Training, supervision, and experience are provided for students interested in working with children and parents in counseling groups for children, family sessions, assessments, parent groups, and more.

Students interested in applying for an internship are asked to complete the included application.

While we accept applications anytime, interviews are typically conducted in March for Summer/Fall or Fall/Spring and in October for Spring/Summer.
