9626 MANCHESTER RD, ST. LOUIS, MO 63119

At Kids In The Middle, we empower children and families through life's toughest transitions with counseling, education, and support. Our mission is to build resilience and guide families toward healthier futures.

We believe cost should never be a barrier to care, which is why no family is ever turned away based on ability to pay. Your support helps us keep this promise and continue nurturing children's strengths as they grow into healthy, thriving adults.
